**Information from newly released MSA statement.**

The requirement of contracting will be executed since January 1 2012. Before March 1, the vessels without contract with SPRO will be allowed to enter into the port in the first voyage. However, the contract must be concluded before the vessel departs from the port. The requirement of concluding contract with SPRO before entering into PRC port will be strictly executed since March 1, 2012.

For those ports without approved SPROs, the detailed requirements will be decided
