CMS's Pre-contracting Network

CMS has set up direct contacts with more than 50 SPROs of level 1 & 2 (pending MSA certification) over 35 ports in China including most of the SPROs above-mentioned, so as to make the nation-wide SPROs network available for the shipowners/operators to get the one-stop solution.

We are negotiating the rate of retainer fee with SPROs initially to create a uniform

contract with uniform rate nationwide. Up to now, there is no official information that the implementation of pre-contracting will be postponed. Due to the limited time left, we sincerely ask the shipowner/operator who are interested in CMS 's service to provide their fleet schedule to us for our effective preparation.

CMS service contract attached in Newsletter 04/11 is updated and under the review of IG for further comments. After enquiring IG, We will send it off promptly.

As long as the further list of SPRO published, we will inform you in the later newsletter.

If any enquiry, please contact with us without hesitation.
